

Xenon Pharmaceuticals Announces Closing of its \$60.0 Million Public Offering of Common Shares

January 27, 2020

BURNABY, British Columbia, Jan. 27, 2020 (GLOBE NEWSWIRE) -- Xenon Pharmaceuticals Inc. (Nasdaq:XENE), a clinical stage biopharmaceutical company, today announced the closing of its previously announced public offering of 3,750,000 common shares pursuant to its existing shelf registration statement at a public offering price of \$16.00 per share. The gross proceeds to Xenon from the offering, before deducting underwriting discounts and commissions and other offering expenses payable by Xenon, were \$60.0 million. In addition, Xenon has granted to the underwriters of the offering an option for a period of 30 days from January 22, 2020 to purchase up to an additional 562,500 common shares at the public offering price, less the underwriting discounts and commissions.

Jefferies, Stifel and Guggenheim Securities acted as joint book-running managers for the offering. Bloom Burton Securities Inc. acted as financial advisor to Xenon in connection with the transaction.

A shelf registration statement relating to the common shares offered in the public offering described above was filed with the Securities and Exchange Commission (SEC) on August 6, 2019 and declared effective by the SEC on August 15, 2019. The offering was made only by means of a written prospectus and prospectus supplement that form a part of the registration statement. A final prospectus supplement and accompanying prospectus relating to the offering have been filed with the SEC and are available on the SEC's website at www.sec.gov.
